Description:

Why is this contract needed?

Vehicles used by District School Safety personnel require updates to integrate mountings, wiring, controllers and amber and white emergency lighting assemblies. The amber and white lighting assemblies installed in School Safety vehicles will facilitate the safe operation of the vehicles during School Safety operations. Under this Action Item the District will contract with Auto FX for the installation and integration of these updated lighting assemblies.

How will the success of this contract be measured?

Success will be measured by the on-time and on-budget completion of all installations, and the ongoing correct function of the installed equipment.

Which Goal and/or Guardrail does this Action Item support?

**Has this investment been discussed during a progress monitoring session?
Which session?**

Guardrail 1: Every school will be a safe, welcoming, healthy place where our students, staff, and community want to be and learn each day.

Does this Action Item support a specific strategy/intervention identified in the Strategic Plan?

This Action Item does not support a specific Accelerate Philly strategic action. This contract supports regular School Safety operations and aligns with Accelerate Philly Priority 1: Improve safety and well-being.
