Description:

Why is this contract needed?

The Office of Capital Programs has identified a need to provide additional educational space at Lincoln High School due to steadily increasing enrollment. This contract is necessary to provide (22) classroom spaces, bathrooms, and office support space for the 2025-26 school year. The work includes all engineering, site preparation, and installation.

How will the success of this contract be measured?

Success will be measured by providing adequate instructional space to students within the established timeline.

Which Goal and/or Guardrail does this Action Item support?

Guardrail1: Every school will be a safe, welcoming and healthy place where our students, staff and community want to be and learn each day. This means that our schools will be: 1) environmentally safe and clean; and 2) spaces with inclusive climates that provide students with access to robust social, emotional, and mental health supports.
