Description:

Why is this contract needed?

The Office of Capital Programs has identified a need for general construction services and electrical upgrades of existing elevators at Thomas G. Morton School to improve students' and staff's access to various areas of the building and for ADA compliance. A Capital Programs inspector, project manager, and construction manager will monitor the work daily for contractor compliance with meeting the District's budget, schedule, and safety requirements.

How is this work connected to the District's plan to achieve Goals and Guardrails?

Guardrail 1: Welcoming and Supportive Schools - Every school will be a safe, welcoming, and healthy place where our students, staff, and community want to be and learn daily.

How will the success of this contract be measured?

The success of this project will be measured by the timely completion of the modernization of the elevator system, as indicated by the construction schedule in the contract documents.

The Office of Minority and Small Business (OMSBD) will review and verify MWBE compliance in this contract by verifying monthly or quarterly spending reports for verification and potential auditing. Then, OMSBD will track the spending through our contract compliance checks and report to internal and external stakeholders.
