**Description:**

**Why is this contract needed?**

The Office of Facilities Management & Services has the need for a contract to provide piping and sewer repair services on an as-needed basis at all District facilities. Services include troubleshooting, repairs, and replacement.

**How will the success of this contract be measured?**

Facilities Management supervisors will monitor services requested so that all repairs and services performed meet bid specifications in alignment with building codes.

**If this is the continuation of a contract, how has success been measured in the past, and what specific information do we have to show that it was successful?**

Work order requests for piping and sewer repairs are submitted via our computerized maintenance management system. We are able to measure the success of this contract by the satisfactory completion of the requested repairs.

**Which Goal and/or Guardrail does this Action Item support?**

**Has this investment been discussed during a progress monitoring session?**

**Which session?**

Guardrail 1: Every school will be a safe, welcoming and healthy place where our students, staff and community want to be and learn each day.
