Description:**Why is this contract needed?**

The Office of Facilities Management and Services has a need for custodial and building management services at 18 of the District's comprehensive high schools. This contract allows the District to provide sufficient custodial services to our largest high schools.

How will the success of this contract be measured?

The vendor will be assessed based on the provision of properly trained cleaning and building management staff for each location. The vendor is responsible for supplying all necessary resources, including but not limited to personnel, training programs, support, and equipment, to implement a custodial cleaning program that delivers efficient and effective services across 18 comprehensive high schools. This contract aims to support the District's objective of maintaining clean and safe learning environments for students.

Which Goal and/or Guardrail does this Action Item support?**Has this investment been discussed during a progress monitoring session?****Which session?**

Guardrail 1: Welcoming and Supportive Schools - Every school will be a safe, welcoming and healthy place where our students, staff and community want to be and learn each day.
