Description:

This action item is to approve modifications to active contracts for new construction, major renovations, and life cycle replacement projects approved in the Capital Budget. The change order process addresses modifications to contracts for work that is added, deleted, or otherwise modified from the original project design and scope of work. Change orders occur due to design errors, design omissions, unforeseen conditions, and requests from the District to ensure the completeness of the project. The Office of Capital Programs reviews, negotiates, and approves change orders subject to Board approval so that construction work is not interrupted due to change orders.

The total number of construction contracts, relative to the change orders to be submitted, is 6, with a current value of \$35,139,555.00. The total number of projects is 5, with a current value of \$93,330,661.00. The total number of change orders to be submitted to the Board of Education for approval is 12, valued at \$279,781.11, 0.80% of the current total value of the construction contracts, and 0.30% of the total value of the projects.

The Office of Capital Programs works with the Office of General Counsel to determine the most effective approach to hold the Architects of Record accountable for errors and omissions and recover money for the District.
